Lot Split Request Buildable Lots INSTRUCTIONS

- Please read all the information below.
- The following information is needed before the Putnam County Health Department is able to approve the lot split request.
 1. **A completed lot split request form. This form must be signed.**
 2. **A fee of \$100 must be included with the form and a proposed drawing of the property with all future structures, well, pond, sewage treatment system, etc. included on the drawing or a completed site evaluation packet along with \$350 must be included.**
 3. **Stake or mark locations of the proposed lot corners/property lines on site. Flags are available upon request.**
 4. **Schedule a soil evaluation with a soil scientist. The soil evaluation must be in accordance with Ohio Administrative Code (OAC) 3701-29. (this will be submitted after the lot split request form)**

A qualified site and soil evaluator must conduct an evaluation of the site to provide the information necessary to determine the type and size of the system that will be adequate to treat the household sewage on the property. The Putnam County Health Department does not perform soil evaluations, but will be present during the soil evaluation.
