of **all** priorities are in progress  
and on track for completion

\*\*Progress reported or documented  
between Jan 1 through March 30, 2023 on  
CHIP action steps

Some CHIP action steps may start later in the  
year or during year 2-3.

# Q1 CHIP Priorities in progress and on track

16%

Community  
Conditions

33%

Health  
Behaviors

49%

Mental  
Health &  
Addiction

# Q1 CHIP Community Conditions Progress

## Highlights

- This group prepared and planned for bystander empowerment presentation.
- Planned for implementation of pilot program Head Start and Day Cares for bystander intervention.
- Assisted with planning for the combined media campaign.

# Q1 CHIP Health Behaviors Progress

## Highlights

- YMCA is planning to have healthy options at concession sales.
- Planning underway of a media campaign to highlight community members who have successfully made healthy life changes.
- The group discussed adding evidence based fall prevention class at YMCA.
- Planning underway to provide Cooking Matters classes in the fall/winter 2023.
- OSU Extension, will work with the West Ohio Food Bank to include at least one recipe for how to use food in the food distribution boxes distributed monthly at the Educational Service Center.

# Q1 CHIP Mental Health & Addiction Progress

## Highlights

- The group is researching no wrong door program.
- Assisting with the combined awareness campaign planning.
- Prevention Guide was created and distributed to schools.
- Pathways offers services at PCCOA on Tuesdays to increase awareness of support services to older adults.
- Individuals have been trained in Signs of Suicide (SOS) program.

# Putnam County Community Health Improvement Plan Progress Dashboard

Strategies within each priority were assigned a "weight" of total CHIP to determine % completed

The weights were based on the total number of action steps in each strategy compared to the total action steps in the CHIP (all priorities combined)

Total CHIP progress then calculated by the sum of each priority completion.

# Questions or Concerns

Any questions on the CHIP Dashboard can be addressed to Bridget Fischer at [Bridget.fischer@putnamhealth.com](mailto:Bridget.fischer@putnamhealth.com)
