

APPROVED EQUIPMENT

All equipment must be commercial grade. OAC 3717-4.1

This means equipment has to be approved by a recognized food equipment testing agency.

If equipment is labeled “for household use only” it is NOT allowable.

Equipment will have one or more of the following testing agency marks found on the equipment (or on the manual/spec sheet).

Underwriters

National Sanitation Foundation

Canadian

ETL-SEMKO

Equipment includes FOOD CONTAINERS !

Food Must ONLY be stored in approved containers.

Approved containers ARE:

- ✓ Food Grade Containers and Bags (can be used as liners)
- ✓ Durable, leak-proof
- ✓ Able to be properly washed, rinsed and sanitized.

HOW DO YOU KNOW IF THEY ARE APPROVED ?

Have the appropriate marks from an approved testing agency
OR

State “**APPROVED FOR FOOD USE**” on container or package.

Approved containers are NOT:

Reused Commercial Packages

- ✗ Bread bags, trash bags
- ✗ Plastic shopping bags
- ✗ Tin Cans
