- Updated resource guide on ESC website.
- Began combined media campaign messages with See Something, Say Something, 4D's to Bystander Intervention, dating violence, & elder abuse.

# Q4 CHIP Health Behaviors Progress

## Highlights

- Organizing Senior food boxes from West Ohio Food Bank.
- Establishing additional produce exchange sites and gardening opportunities
- Increasing food donation utilization by providing healthy recipes
- Identified grant opportunities for exercise and nutrition classes.
- Utilize social media to promote healthier lifestyles.
- Held different events to promote fall prevention in the county and on social media.

# Q4 CHIP Mental Health & Addiction Progress

## Highlights

- Continuing to plan for No Wrong Door in the county.
- Press release and messages went out to the public on combined media campaign.
- Continued to offer counseling at PCCOA once a week for older adults.
- Held multiple opportunities for social engagement of older adults
- Continue to offer/plan Signs of Suicide (SOS) Program in PC schools.
- P.A.R.T.Y group helped plan Red Ribbon week in schools.

# Putnam County Community Health Improvement Plan Progress Dashboard

Strategies within each priority were assigned a "weight" of total CHIP to determine % completed

The weights were based on the total number of action steps in each strategy compared to the total action steps in the CHIP (all priorities combined)

Total CHIP progress then calculated by the sum of each priority completion.

# Questions or Concerns

Any questions on the CHIP Dashboard can be addressed to Sherri Recker at [sherri.recker@putnamhealth.com](mailto:sherri.recker@putnamhealth.com) or Allison Rosebrock at [allison.rosebrock@putnamhealth.com](mailto:allison.rosebrock@putnamhealth.com)
