Addiction

# Putnam County Community Health Improvement Plan Progress Dashboard

Strategies within each priority were assigned a "weight" of total CHIP to determine % completed

The weights were based on the total number of action steps in each strategy compared to the total action steps in the CHIP (all priorities combined)

Total CHIP progress then calculated by the sum of each priority completion.

# Questions or Concerns

Any questions on the CHIP Dashboard can be addressed to Sherri Recker at [sherri.recker@putnamhealth.com](mailto:sherri.recker@putnamhealth.com) or Allison Rosebrock at [allison.rosebrock@putnamhealth.com](mailto:allison.rosebrock@putnamhealth.com)
